

The standard poster size for MAC 2006 is 48" x 48"; although the backboards are large enough to accommodate larger widths for posters (to 60") if you find you need more space, the height may not exceed 48". The poster sessions are scheduled for Friday afternoon (October 13) and Saturday morning (October 14). Conference volunteers will be on hand to assist presenters in setting up their posters as well as taking down the posters.

Times when presenters can begin setting up posters:

	<u>Earliest Set up</u>	<u>Latest Take down</u>
Friday	11 AM	9 PM
Saturday	7 AM	1 PM

You may check the time of your poster on the MAC Website where we have posted the preliminary schedule.

Supplies on hand to help secure the posters include:

Velcro

Mounting tape

Push pins

Large binder clips

These supplies will be located in the poster session area in the Foyer of the Conference Hotel.
