

Opportunities at Wood

Senior Project Archaeologist

Business Unit: **Environment & Infrastructure Solutions**

Job Location: **Houston, TX; Jefferson City, MO; Lexington, KY or Louisville, KY**

Job Reference Number: **31379**

Wood's cultural resource program is looking for an experienced **Project Archaeologist** with Texas, Midwestern, and/or Southeastern experience. This position is a full-time, salaried position with benefits. Salary is commensurate with education and experience. (*Amec Foster Wheeler is now part of Wood*)

Skills / Qualifications

- Qualified candidates should possess a master's degree in Archaeology, Anthropology, or a related field, and have a minimum of 10 years of demonstrable field supervisory experience in CRM
- Candidates must meet the Secretary of the Interior Standards (36 CFR 61) in archaeology and be eligible for the Register of Professional Archaeologists
- Experience managing pipeline projects is required
- Preferred technical skill sets include, but are not limited to, historic or prehistoric artifact analysis, GIS experience, archival research, or geoarchaeology / geomorphology
- They must have good organizational skills, a positive attitude, strong work ethic, and willingness to learn
- Project Archaeologists are lead authors and coauthors on technical reports that document the results of the investigation and must be able to write well; The applicant must be able to demonstrate the ability to address project research questions, through a synthesis of data from the field, laboratory analysis of artifacts and incorporation of relevant published research; A digital copy of the applicant's thesis may be requested as a writing sample
- The ability to manage multiple projects at a time is essential
- Candidates must be willing to work as part of a team, either taking direction or leading as is needed to reach stated goals
- The applicant should also have demonstrated ability to manage the finances of project budgets
- Prior to employment, applicants are required to take separate drug screening and physical fitness exams that Wood will arrange
