MAC Anti-harassment and Non-discrimination Policy

We recognize that we are living through a historical moment. As archaeologists, we are looking for best practices for ensuring that our professional and educational spaces are more equitable and inclusive. To support your efforts and work, we offer a two-hour educational session focusing on how we can best address current issues and advance our knowledge and skills related to diversity, equity, and inclusion. As part of membership renewal for 2021 the MAC Board requires self-certification of either participation in the December 11 webinar or later viewing of the recorded session (link available on <https://www.midwestarchaeology.org/MAC-membership#Join>).

By checking this box, I certify that I have participated in the MAC-sponsored webinar on Equity and Inclusion.
