

Midwest Archaeological Conference

Final Program

October 15-19, 2008
Milwaukee, WI

**Midwest Archaeological Conference
Annual Meeting Schedule
October 15-19, 2008**

Hyatt Regency Hotel
333 West Kilbourn Avenue
Milwaukee, WI 53203

Wednesday October 15, 2008

7:00-9:00 PM Early Registration and Reception at the Hyatt Regency
Cash Bar, with soft drinks available.

Thursday October 16, 2008

Thursday Morning

Enjoy the city. Milwaukee Public Museum, Art Museum, Discovery World are all nearby.

Thursday Afternoon

1:15-4:30 PM Symposium: *Human Bone as Cultural Object: A Midwestern Perspective* Organizers: Eve

Hargrave, Shirley J. Shermer, Kristin M. Hedman (ITARP) and Robin Lillie Room: Lakeshore A

1:15 Shermer, Shirley J. (Office of the State Archaeologist, University of Iowa) Opening Remarks.

1:30 Johnston, Cheryl A. (Western Carolina University) More than Skulls and Mandibles: An Unusual
Mortuary Practice from an Early Woodland Context in Central Ohio

1:45 Nawrocki, Stephen P. (University of Indianapolis) and Paul Emanovsky (Joint POW/MIA
Command, Central Identification Laboratory) Modified Hopewellian Trophy Jaws

2:00 Cobb, Dawn E. (Illinois State Museum/Illinois Historic Preservation Agency) Interpretations of
Modified Human Jaw Bones from Hopewellian Mound Sites in the Central Illinois River Valley

2:15 Lee, Anne B. (Hardlines Design Company) and Cheryl A. Johnston (Western Carolina University)
Phallic Batons Made of Bone in the Collections of the Ohio Historical Society

2:30 Carr, Christopher (Arizona State University) and Anna Novotny (Arizona State University) Ritual
Dramas in Ohio Hopewell Earthworks

2:45 Schermer, Shirley J. (Office of the State Archaeologist, University of Iowa) and Robin M. Lillie
(Office of the State Archaeologist, University of Iowa) Cut, Drilled, Polished, and Incised Human
Remains from Iowa Woodland and Late Prehistoric Sites

3:00 Break

3:15 Hargrave, Eve A. (ITARP) and Della Collins Cook (Indiana University) Human Bone as Ritual Tool?

3:30 Rudolph, Katie Z. (University of Wisconsin-Milwaukee) Human Tibia at the Aztalan Site, Jefferson
County, Wisconsin

3:45 Cook, Della Collins (Indiana University) and Cheryl Ann Munson (Indiana University)
Reconstructing a Mississippian Worked Bone Object from the Angel Site

4:00 Headman, Kristen M. (ITARP) Human Bone as Ritual Object: Modified Human Bone from the
Anker Site, Cook County, Illinois

4:15 Blue, Kathleen (Minnesota State University, Mankato) Grooved Teeth from Red Wing Locality Site
and the Loss/Gain of Identity

4:30 Herrera, Anayensy (Lic. Independent Archaeologist, Costa Rica) Felipe Solís Del Vecchio (Lic.
Independent Archaeologist, Costa Rica) Jane Wankmiller (Michigan State University) Norman
Sauer (Michigan State University) New Evidence of Human Bone Tools in the North Pacific Coast
of Costa Rica

4:45 Smith, Maria Ostendorf (Illinois State University) Discussant

1:30-4:30 PM Hands-on Workshop: *Early Woodland Material Culture* Organizer: Stephen Wagner

Participants: Ernie Boszhardt, Danielle Benden, Brad Perkl, Jarrod Burks, Brian Butler, Tom
Emerson et al., James Collins, Terry Martin, Steve Mocas, William Green, Janet Brashler, Greg
Vogel, Jared Langseth, Dick Mason **Room: Lakeshore C**

1:30-3:00 PM General Session: *Paleoindian and Archaic Period Research* Moderator: Daniel Winkler

Room: Lakeshore B

- 1:30 Skibo, James (Illinois State University) and Eric Drake (Hiawatha National Forest) The Late Archaic on the Southern Shore of Lake Superior: A Report on the 2007 Excavation of the Popper Site, Grand Island, Michigan
- 1:45 Benn, David (Bear Creek Archeology Inc) Micro-Spatial Patterns: Results from Piece-Plotting Archaic Houses in Iowa
- 2:00 Winkler, Daniel M. (University of Wisconsin-Milwaukee) The Clovis Occupation of the Schmeling Site (47JE833) in Jefferson County, Wisconsin
- 2:15 Millhouse, Philip G. (ITARP) and Kristin M. Hedman (ITARP) Brugger Mounds and the Initiation of the Mortuary Earthwork Tradition in the Upper Mississippi Valley

3:15-4:45 PM Movie Showing: *Lost Nation: The Ioway*, running time 57 minutes, discussion afterward lead by William Green. **Room: Gilpatrick**

5:30-7:00 PM Cash Bar reception. Music provided by the Screaming Pattersons, traditional and modern bluegrass and Celtic inspired band. **Room: Hyatt Atrium/Executive CD**

7:00-9:00 PM *The Archaeology of Brewing*. Presented by Kevin Cullen. MAC participants receive \$5.00 discount. **At Discovery World, 500 N Harbor Drive**

Friday October 17, 2008

Friday Morning

9:00-11:00 AM Symposium: *Eastern Wisconsin Oneota: New Developments from Lake Koshkonong*

Organizer: Robert J. Jeske **Room: Executive CD**

- 9:00 Jeske, Robert (University of Wisconsin-Milwaukee) Time and Space at Crescent Bay Hunt Club
- 9:15 Foley Winkler, Kathleen M. (University of Wisconsin-Milwaukee) 2008 Investigations at the Schmeling Site (47JE833), an Oneota Occupation at Lake Koshkonong
- 9:30 Cowell, Shannon H. (University of Wisconsin-Milwaukee), Eric J. Schuetz (University of Wisconsin-Milwaukee) and Seth A. Schneider (University of Wisconsin-Milwaukee) The Oneota Component at the Twin Knolls Site (47Je379)
- 9:45 Schneider, Seth A. (University of Wisconsin-Milwaukee) Ceramic Relationships at Lake Koshkonong
- 10:00 Break
- 10:15 Moss, James (University of Wisconsin-Milwaukee) Intrasite Feature Analysis of the Crescent Bay Hunt Club Site
- 10:30 Edwards, Richard (University of Wisconsin-Milwaukee) A GIS Analysis of the Schmeling Site
- 10:45 Nicholls, Brian (University of Wisconsin-Milwaukee) In Search of Lakefront Property: Oneota Site Distribution of Lake Koshkonong
- 11:00 Holley, George (Department of Anthropology and Earth Science, Minnesota State University Moorhead) and Michael G. Michlovic (Department of Anthropology and Earth Science, Minnesota State University Moorhead) Defining the Northwestern Boundaries of Oneota

9:00-10:00 AM General Session: *Contact and Early Historic* Moderator: William Green

Room: Lakeshore B

- 9:00 Martin, Terrance (Illinois State Museum) Animal Exploitation Patterns at French Colonial Sites in the Midwest: New Perspectives from Fort St. Joseph and the Village of Cahokia
- 9:15 Green, William (Beloit College) and Saul Schwartz (Princeton University) Middle Ground or Native Ground? Perspectives on Ioway Trade and Interaction, ca. 1760-1820
- 9:30 Durst, Patrick (ITARP) New Investigations at the Trotier Site in French Colonial Cahokia
- 9:45 Esarey, Duane (UNC-Chapel Hill) Disk Runtees: 17th Century Horizon Markers of Contact and Colonialism

9:00 AM-12:00 PM Poster Symposium: *The Driftless Area and Beyond - Paleoindian, Archaic and Woodland Archaeology: Current Research in Western Wisconsin and Eastern Minnesota* Organizer: Constance Arzigian **Room: Gilpatrick**

- 1) Arzigian, Constance (Mississippi Valley Archaeology Center), Jake Pfaffenroth (University of Wisconsin-La Crosse) and Natasha Musalem (University of Wisconsin-La Crosse) Environmental Interpretations from Microfauna, Gastropods, and Flora from Brogley Rockshelter
- 2) Carr, Dillon (Michigan State University), Daniel Winkler (University of Wisconsin-Milwaukee), Andrew Bloedorn (University of Wisconsin-Milwaukee) and Robert "Ernie" Boszhardt (Mississippi Valley Archaeology Center) The Schumann Cache: a Silicified Sandstone Clovis Cache from Southeastern Minnesota
- 3) Loebel, Thomas (University of Illinois-Chicago), Matthew G. Hill (Iowa State University) and Robert "Ernie" Boszhardt (Mississippi Valley Archaeology Center) The Gail Stone Site: A Cochrane Chert Fluted Point Component in the Upper Mississippi River Valley
- 4) Alhambra, Dominique (University of Wisconsin-Madison) An Analysis of Five Ceramic Vessels from the Brogley Rockshelter
- 5) Maus, Matthew (University of Wisconsin-Madison) Projectile Points from the Brogley Rockshelter
- 6) Straskowski, Michael (University of Wisconsin-La Crosse) Projectile Points from Cade 3 in Vernon County, Wisconsin
- 7) Theler, James L. (University of Wisconsin-La Crosse) An Archaeological Occurrence of a Pronghorn (*Antilocapra americana*) in Southwestern Wisconsin
- 8) Twinde-Javner, Vicki (Mississippi Valley Archaeology Center) Archaeology along the Flambeau River in Northwestern Wisconsin
- 9) Benden, Danielle (University of Wisconsin-Madison) The Brogley Rockshelter (47-Gt-156) Revisited: A History of Excavation and Curation

10:00AM-12:00 PM General Session: *Outreach and Public Archaeology* Moderator: Mark Schurr
Room: Lakeshore A

- 10:15 Schurr, Mark (University of Notre Dame) Collier Lodge 2008
- 10:30 Nagel, Cindy L. (Tallgrass Historians, L.C.), John G. Hedden (The University of Iowa), Lynn M. Alex (The University of Iowa) and John Hall (The University of Iowa) 471 Miles of Outreach: Iowa Archaeology on the Road
- 10:45 Hollinger, Eric (Smithsonian Institution Natural History Museum) Smithsonian Repatriations in the Midwest: Highlights from Cases of the National Museum of Natural History
- 11:00 VanderVeen, James (IU South Bend) and Jeanette Repczynski (IU South Bend) Teaching Ethics in Archaeological Field Schools
- 11:15 Galloy, Joseph (ITARP, University of Illinois at Urbana-Champaign), Thomas E. Emerson (ITARP, University of Illinois at Urbana-Champaign), Mark C. Branstner (ITARP, University of Illinois at Urbana-Champaign) and Roberta Obadan (Historical Society of Brooklyn, Illinois) The Brooklyn, Illinois Public Engagement Project: Archaeological and Historical Exploration of America's First Black Town
- 11:30 Yancey, Miranda L. (ITARP, University of Illinois at Urbana-Champaign) and Joseph M. Galloy (ITARP, University of Illinois at Urbana-Champaign) In Search of Mother Baltimore's Freedom Village: The Free Black Community at Brooklyn, Illinois, ca. 1829 - 1837
- 11:45 Toth, Jay (Ho-Chunk Nation) Compaction Testing of Mounds and Effigies: A Preservation Tool

10:00AM-12:00 PM General Session: *Euroamerican Archaeology* Moderator: Michael Strezewski
Room: Lakeshore C

- 10:15 Branstner, Mark (ITARP, University of Illinois at Urbana-Champaign) The Buckmaster Site (11MS2254): An Early Settlement Period Site in South-Central Illinois
- 10:30 Strezewski, Michael (University of Southern Indiana) Recent Studies of Harmonist Redware from Southern Indiana
- 10:45 Reckner, Paul (Wisconsin Historical Society) Growing Old at "Captain Trowbridge's Place": The Impact of Age and Household Composition on Spatial Organization and Economic Strategies at a Nineteenth Century Wisconsin Farmstead
- 11:00 Harl, Joe (Archaeological Research Center of St. Louis) and Robin Machiran (Archaeological Research Center of St. Louis) Preliminary Findings at the Amos Squire Homestead
- 11:15 Franzen, John (USDA Forest Service) and Eric Drake (USDA Forest Service) Coping with a "Maze of Problems": Living Conditions at the First Nahma Sawmill, c. 1850

- 11:30 Coon, Matt (Indiana Department of Transportation) Classifying Historic Surface Scatters: Artifact Pattern Analysis Reconsidered
- 11:45 Tolmie, Clare (MARS, Inc.) From Geography to Geometry: Settlers, Farmers and Landscape in Northeastern Illinois

12:00-1:30 PM Lunch Break

Friday Afternoon

1:30-4:45 PM Symposium: *Hebior to Hanson: David F. Overstreet Retrospective Symposium in Honor of a Wisconsin Archaeological Icon*. Organizer: Patricia B. Richards **Room: Executive CD**

- 1:30 Kolb, Michael F. (Strata Morph Geoexploration, Inc.) An Overview of the Geomorphic and Stratigraphic Contexts of the Hebior and Schaefer Woolly Mammoth Archaeological Sites Kenosha County, Wisconsin
- 1:45 Johnson, Eileen (Museum of Texas Tech University) Taphonomy of the Southeast Wisconsin Mammoth Localities
- 2:00 Kehoe, Alice B. (University of Wisconsin-Milwaukee) Butchered Mammoths, Intact Data
- 2:15 Winkler, Daniel M. (University of Wisconsin-Milwaukee) The Late Paleoindian Occupation of the Dalles Site (47IA374), and its Implications for the Plainview Tradition in the Western Great Lakes
- 2:30 Mason, Richard (University of Wisconsin-Oshkosh) The Kamrath Site: A Pre-ceramic Site with Paleoindian and Archaic Affiliations in Winnebago County, Wisconsin
- 2:45 Watson, Robert J. (Great Lakes Archaeological Research Center) 23 Years AD (After Dave): Archaeological Investigations at the Peterson site, a Woodland Tradition Occupation in Waukesha County, Wisconsin
- 3:00 Break
- 3:15 Clark, James A., Jr. (Independent Scholar) Opportunity and Discovery: An Employee's Perspective
- 3:30 O'Gorman, Jodie (Michigan State University) and Lynne Goldstein (Michigan State University) What's an Interaction Mean? Mississippian and Oneota Friends, Neighbors and Antagonists
- 3:45 Foley Winkler, Kathleen M. (University of Wisconsin-Milwaukee) An Update on Oneota Mortuary Research in Eastern Wisconsin
- 4:00 Bruhy, Mark E. (USDA Forest Service) The Provisional Wolf River Tradition: Late Prehistory Within and Beyond the Wolf River Watershed
- 4:15 Mason, Ronald J. (Lawrence University) Who First Went Where, and Who Was There? Implications for Early Contact Geography Westward From Huronia
- 4:30 Gregory, Michael M. (Independent Scholar) David Overstreet's Lasting Legacy to the Study of 1840s Fort Des Moines II (13PK61) in Des Moines, Iowa
- 4:45 Patricia B. Richards: Discussant

1:30-3:00 PM General Session: *Middle Woodland/Hopewell Research* Moderator: Ken Tankersley **Room: Lakeshore C**

- 1:30 Evans, Ashley (Arizona State University) Exploring the Role of Gender at Hopewell, Mound 25
- 1:45 McConaughy, Mark (PA Bureau for Historic Preservation) The Rest of the Story of Sugar Run Mound (36Wa359), a Hopewellian Squawkie Hill Phase site, Warren County, Pennsylvania
- 2:00 Lynott, Mark (Midwest Archeological Center) Embankment Wall Construction at the Hopeton Earthworks
- 2:15 Tankersley, Kenneth (University of Cincinnati) Hill Forts: Dispelling the Myths
- 2:30 Byers, Martin (McGill University) The Hopewellianization of the Middle Woodland: An Aggregative or Systematic Process?
- 2:45 Birnbaum, Michelle (University of Wisconsin-Milwaukee) Home Sweet Home: Woodland Structures at the Richter Sites in Door County Wisconsin

1:30-4:00 PM General Session: *Approaches to Archaeological Survey, Geographic Information Systems and Remote Sensing Techniques* Moderator: Douglas Kullen **Room: Lakeshore A**

- 1:30 Kullen, Douglas (Allied Archeology) Prehistoric Settlement Patterning in the Lower Fox River Drainage, DeKalb and Kendall Counties, Illinois
- 1:45 Evans, Madeleine (ITARP), Andrew Fortier (ITARP) and Doug Jackson (ITARP) Cultural Resources of the High Grass Prairie: The Archaeological Landscape of Champaign County, East Central Illinois
- 2:00 Gartner, William (Department of Geography, UW-Madison) Agricultural Potential as a Cultural Appraisal: A Raster Analysis of Wisconsin Raised Fields and Climate (ca 1000 - 1850 AD)

- 2:15 Surface-Evans, Sarah (Michigan State University & Michigan Office of the State Archaeologist) Seeing the Forest for the Trees: An Archaeological Site Inventory Project on Michigan State Forest Land
- 2:30 Wells, Joshua (Indiana University South Bend), Robert McCullough (IPFW Archaeological Survey) and Craig Arnold (IPFW Archaeological Survey) Producing Multiscalar Data on Falls Mississippian Settlement Practices with Informatics and Outreach
- 2:45 Vogel, Gregory (Center for American Archeology) Results of the Center for American Archeology/Arizona State University 2008 Field School in GIS and Geophysical Remote Sensing at the Middle Woodland Period Mound House Site, Western Illinois
- 3:00 Break
- 3:15 Dempsey, Erin (University of Nebraska-Lincoln) Seeing Through Walls: More Research on Magnetic Susceptibility, Geoarchaeology, and the Hopeton Earthworks
- 3:30 Betzenhauser, Alleen (ITARP) Timing the Terminal Late Woodland to Mississippian Transition in the Southern American Bottom: Preliminary Results from the Washausen Site
- 3:45 Collins, James (University of Iowa) and William Whittaker (University of Iowa) The Folkert Mound Group, Hardin County, Iowa
- 4:00 Wyatt, Jennifer C. (Ball State University) Correlation of Soil Phosphate Tests and Magnetic Survey at the Patty Ann Farms Site 12H1169

1:30-4:30 PM Poster Symposium: *The Driftless Area and Beyond - Woodland, Mississippian, Oneota and Protohistoric Archaeology. Current Research in Western Wisconsin and Eastern Minnesota*

- Organizer: Arzigian, Constance (Mississippi Valley Archaeology Center) **Room: Gilpatrick**
- 1) Alexander, Miranda (University of Oklahoma) and Wendy Holtz-Leith (Mississippi Valley Archaeology Center) Variation in Burial Practices within the Sanford Archaeological District, La Crosse, Wisconsin
 - 2) Arzigian, Constance (Mississippi Valley Archaeology Center) and Bonnie Jancik (Mississippi Valley Archaeology Center) The Swennes site: A Cold-Season Oneota Occupation in the La Crosse Locality
 - 3) Dowiasch, Jean (Mississippi Valley Archaeology Center) Conservation and Preservation: Archaeology and the Natural Resources Conservation Service
 - 4) Fjerstad, Branden (Mississippi Valley Archaeology Center) and Christian Driver (Mississippi Valley Archaeology Center) The "Burmeister Bear": An Analysis of a Carved Pipestone Animal Effigy Found in Wabasha County, Minnesota
 - 5) Morris, John (Northern Illinois University) and Constance Arzigian (Mississippi Valley Archaeology Center) Ceramic Residue Analysis through Gas Chromatography III: Fatty Acid Methyl Ester (Fame) Analysis Results from Oneota Pottery from the Driftless Area of Wisconsin
 - 6) Tiffany, Joseph A. (University of Wisconsin-La Crosse) and Wendy Holtz-Leith (University of Wisconsin-La Crosse) Excavations at the Lower Sand Lake Site (47Lc45), a Multi-Component Campsite in Onalaska, Wisconsin
 - 7) Alexander, Miranda (University of Oklahoma) and Wendy Holtz-Leith (Mississippi Valley Archaeology Center) Variation in Burial Practices within the Sanford Archaeological District, La Crosse, Wisconsin

3:15-4:15 PM *General Session: Experimental Archaeology and Artifact Analysis* Moderator: William Kennedy **Room: Lakeshore B**

- 3:15 Wendt, Dan (Minnesota Historical Society Volunteer) and Anthony D. Romano (Independent Scholar) Replicated Copper Socketed Hammers and Percussion Inserts: Effectiveness as Percussion Flint Knapping Tools
- 3:30 Halsey, John (Michigan Historical Center) "Ancient Diggings": A Review of Nineteenth Century Observations on and Actions in the Prehistoric Copper Mining Pits of the Lake Superior Basin
- 3:45 Haeuptle, Elizabeth (Dayton Society of Natural History) and William Kennedy (Dayton Society of Natural History) To Build or Not to Build: 2008 Experimental Archaeology at SunWatch Indian Village/Archaeological Park
- 4:00 Michlovic, Michael (Minnesota State U. Moorhead) Geology and the Age of the Kensington Stone

3:15-4:30 PM Movie Showing: *Lost Nation: The Ioway*, running time 57 minutes, discussion afterward lead by John Doershuk and Dale Henning. **Room: Lakeshore C**

5:00 PM Wisconsin Archaeological Survey Business Meeting **Room: Executive CD**

5:30 PM Wisconsin Archeological Society Business Meeting **Room: Executive CD**

6:00-9:00 PM Reception sponsored by Wisconsin Archeological Society. Complimentary hors d'oeuvres, draft beer and soft drinks. Cash Bar. **Room: Hyatt Atrium**

Saturday October 18, 2008

Saturday Morning

9:00 AM-12:00 PM Symposium: *Symposium in Honor of Margaret B. Holman* Organizer: William Lovis and Janet G. Brashler **Room: Executive CD**

9:00 Lovis, William (Michigan State University), Janet G. Brashler (Grand Valley State University) and Elizabeth Baldwin Garland (Western Michigan University) Maple Sugar, Cache Pits, and the Michigan Late Woodland: Remembering "Sister Peg" Holman

9:15 Martin, Terrance (Illinois State Museum) Adaptive Strategies in Western Michigan Prehistory and a Consideration of Lake Sturgeon

9:30 Smith, Beverley A. (University of Michigan at Flint) and Kathryn C. Egan (Commonwealth Cultural Resources Group, Inc.) The Seasonal Use of the Lowlands and the Uplands of the Saginaw Valley in the Middle through Late Woodland Periods

9:45 Lovis, William (Michigan State University) Revisiting the Johnson Site: A Winter Site in a Cedar Swamp on Mullet Lake, Michigan

10:00 Break

10:15 Howey, Meghan C. L. (University of New Hampshire) and Kathryn E. Parker (Great Lakes Ecosystems, Inc.) Re-Visiting Late Woodland Life in the Inland Waterway Region: New Research at the University of Michigan Biological Station

10:30 Hambacher, Michael J. (Commonwealth Cultural Resources Group, Inc.) A Fine Kettle of Fish: Context, Society, and Typology in the Upper Great Lakes

10:45 Mason, Carol I. (Lawrence University) Dating by Pacotille: Iconographic Rings and Historic Documentation

11:00 Holman, Margaret B. (Michigan State University), Kathryn E. Parker (Great Lakes Ecosystems) and Mark C. Branstner (ITARP) The Muir Site (201A305): Evidence for Long-Term Stability of Upland Resource Utilization in Michigan's Central Lower Peninsula

11:15 Dunham, Sean Barron (Michigan State University) Thoughts on Maple Sugar Use in the Late Woodland Period in Michigan's Upper Peninsula

11:30 Brashler, Janet G. (Grand Valley State University) and Nate Hansen (Grand Valley State University) Hacklander Ware 2008: Understanding Its Technology and Chronological Placement in the Woodland Period

11:45 Goldstein, Lynne (Michigan State University), Jodie O'Gorman (Michigan State University) and Helen Pollard (Michigan State University) Lunch with Peg

9:00-10:30 AM General Session: *Upper Mississippian Research* Moderator: Doug Jackson

Room: Lakeshore B

9:00 Koziarski, Ralph (University of Wisconsin-Milwaukee) Upper Mississippian Subsistence in the Prairie Peninsula

9:15 Jackson, Doug (ITARP) Huber Phase Longhouse Structures at the Hoxie Farm Site

9:30 Nolan, Kevin C. (Ohio State University) and Robert A. Cook (Ohio State University) Was Social Complexity Impossible During the Late Woodland but Mandatory During the Late Prehistoric? An Evolutionary Model of Cultural Change in the Ohio Valley

9:45 Schirmer, Ron (Department of Anthropology, Minnesota State University, Mankato) Considering Mississippian in Red Wing: New data from the Bartron village (21GD02)

9:00-10:00 AM General Session: *Iconography and Symbolism* Moderator: Valerie Altizer

Room: Lakeshore C

9:00 Altizer, Valerie (University of Tennessee) and Timothy Baumann (Missouri Valley College) Revisiting Gourd Creek Cave (23PH14) in the Missouri Ozarks

9:15 Thomas, Chad (Arizona State University) Iconography and Social Organization at Wickliffe

- 9:30 Daniels, Stephanie (ITARP University of Illinois) and Dale L. McElrath (ITARP University of Illinois) The Color Blue: Lithic Economy and Symbolism at Neteler Mound
- 9:45 Madsen, Mark (Chicago Archaeological Society, IAAA) Is the “Big Man” Rock Painting on Burnt Bluff, Griffonage?

9:30 AM-12:00 PM General Session: *Middle Mississippian Research* Moderator: Sissel Schroeder **Room: Lakeshore A**

- 9:30 Betzenhauser, Alleen (ITARP) and Thomas Zych (ITARP New Insights into Late Mississippian Settlement in the Northern American Bottom)
- 9:45 Baltus, Melissa (University of Illinois Urbana-Champaign) and Jeffery Kruchten (ITARP) Cahokian Contacts and Ritualized Practices: Investigations of the Pfeffer mound center
- 10:15 Schroeder, Sissel (University of Wisconsin-Madison) Analysis of Multiple Attributes for Understanding Variation in Perishable Architecture at Jonathan Creek, Kentucky
- 10:30 Machiran, Robin (Archaeological Research Center of St. Louis) and Joe Harl (Archaeological Research Center of St. Louis) Preliminary Results at the Bischoff site (11MS2288) in Madison County, Illinois
- 10:45 Schilling, Timothy (Washington University in St. Louis) Probabilistic History: Modeling the Construction of Monks Mound
- 11:00 Belknap, Lori (Southern Illinois University Edwardsville) Hammering Out The Facts: An Analysis of Copper at Mound 34, Cahokia, IL
- 11:15 Brown, James (Northwestern University), Lori Belknap (Southern Illinois University Edwardsville), Kathleen L. Ehrhardt (Illinois State Museum), Lucretia S. Kelly (Washington University), Kathryn Parker (Great Lakes Ecosystem), and Julieann Van Nest (New York State Museum) In Pursuit of Perino’s Copper Workshop at Cahokia Mound 34: The 2008 Investigations
- 11:30 Kelly, John (Washington University) An Historical Perspective on the Big-Bang: Who Lit the Fuse?

10:30 AM-12:00 PM Workshop: *Submitting Articles to Midcontinental Journal of Archaeology* Organizer: Mark Schurr **Room: Lakeshore C**

9:00 AM-12:00PM Poster Session: *Public Archaeology* **Room: Gilpatrick**

- 1) Hildebrant, Emily (Minnesota State University, Mankato) and Jared Langseth (Minnesota State University, Mankato) Public Archaeology in Southern Minnesota: Communities and Communication
- 2) Gaff, Donald H. (University of Northern Iowa), Elizabeth Collins (University of Northern Iowa) and Tabitha Kukes (University of Northern Iowa) John C. Hartman and the Archaeology of Iowa’s Cedar River Valley
- 3) Bennett, Cristy (University of Northern Iowa), Leigh Powers (University of Northern Iowa), Aaron Stumberg (University of Northern Iowa), and Donald Gaff (University of Northern Iowa) Preliminary Analysis of Artifacts Recovered from Hartman Reserve during the 2008 UNI Archaeological Field School
- 4) Spott, Elizabeth (University of Wisconsin-Milwaukee) Protecting America’s National Parks: An Analysis of Visitor Impact on Archaeological Sites within the Saint Croix National Scenic Riverway (SACN) Utilizing Geographic Information Systems
- 5) Berkson, Alice (Public Service Archaeology and Architecture Program) Archaeology and Natural Resource Volunteer Programs—Integrating Cultural Resources with Environmental Stewardship
- 6) Cullen, Kevin (Discovery World) Looking into the Distant Mirror: Exploring Tools, Time and Culture through Innovative Archaeological Education

12:00-1:30 PM Lunch Break

1:30-4:30 PM Symposium: *Since “Aztalan Revisited:” Recent Advances in the Archaeology of the Aztalan Site and Cahokia’s Northern Hinterland* Organizer: John D. Richards **Room: Executive CD**

- 1:30 Richards, John D. (University of Wisconsin-Milwaukee) Since “Aztalan Revisited”
- 1:45 Clauter, Jody (University of Wisconsin-Milwaukee) Surveying Aztalan: Fifty Years of Pedestrian Reconnaissance
- 2:00 Goldstein, Lynne (Michigan State University) and Moreau S. Maxwell (Michigan State University) Implications of Social Structure from the Archaeological Record: Aztalan
- 2:15 Bailey, Susanna (Washington University) and John E. Kelly (Washington University) The Significance of the Aztalan Seed Jars: An Historical Perspective from the American Bottom

- 2:30 Richards, John D. (University of Wisconsin-Milwaukee), Thomas E. Emerson (University of Illinois at Urbana-Champaign) and Randall E. Hughes (University of Illinois at Urbana-Champaign) Identifying the Quarry Sources for Aztalan's Pipestone Earspools through PIMA Analysis
- 2:45 Rudolph, Katie Z. (University of Wisconsin-Milwaukee) Rearticulating Context: Establishing Provenience of the Aztalan Human Remains
- 3:00 Break
- 3:15 Sampson, Kurt A. (University of Wisconsin-Milwaukee) Getting to the Point: Typology, Morphology, and Lithic Material Variation in the Milwaukee Public Museum Projectile Point Collection From the Aztalan Site
- 3:30 Birmingham, Robert A. (University of Wisconsin-Waukesha) The Historic Period Indian Component at Aztalan
- 3:45 Kaufmann, Kira (Florida Public Archaeology Network) Aztalan State Park (47JE1): Reinterpreting Early Geophysical Data in Light of Recent Advances in Technology
- 4:00 Dudzik, Mark (Wisconsin Department of Natural Resources) Park as Preserve: Development of Aztalan in the 21st Century

1:30-3:00 PM General Session: *Bioarchaeology* Moderator: Della C. Cook **Room: Lakeshore B**

- 1:30 Hatch, Mallorie (Arizona State University), Dawn E. Cobb (Illinois State Museum), Melinda L. Carter (Southern Illinois University) and Angela Tine (University of Arkansas) Patterns of Middle Mississippian Accidental and Violent Injury at Larson, Illinois
- 1:45 Spencer, Susan D. (Indiana University, Bloomington) Osteological Evidence for Late Mississippian Footwear at the Mann Site (12 Po 2), Indiana
- 2:00 Smith, Maria Ostendorf (Illinois State University) Newly Emerging Patterns of Sociopolitical Heterogeneity in the Dallas Phase of East Tennessee: Evidence from the Agonistic Behavior
- 2:15 King, Jason (University of New Mexico) Ancestor Ideology: Creating Relatedness via Mortuary Ritual in Woodland Period Illinois
- 2:30 Raff, Jennifer (University of Utah), Della Cook (Indiana University), Susan Alt (Indiana University), and Frederika Kaestle (Indiana University) Gene flow and the Mississippian emergence in the Lower Illinois Valley

1:30-4:30 PM Symposium: *Investigation and Relocation of the Wright-Whitesell-Gentry Cemetery, a Rural Mid-late Nineteenth Century Extended Family Cemetery in Indianapolis* Organizer: Christopher Koepfel **Room: Lakeshore A**

- 1:30 Koepfel, Christopher (Indiana Department of Transportation) Relocating and Recreating a Cemetery: Project Challenges and Public Archaeology
- 1:45 Peterson, Ryan (AMEC Earth & Environmental, Inc.) Archaeological Relocation of the Wright-Whitesell-Gentry Cemetery, a Mid-Late Nineteenth Century Cemetery in Marion County, Indiana
- 2:00 Ross-Stallings, Nancy (AMEC Earth & Environmental, Inc.) Market Availability of Headstones, Coffins and Coffin Hardware in Mid-Nineteenth Century Marion County, Indiana: The Wright-Whitesell-Gentry Cemetery as a Case Study
- 2:15 Kienitz, Gaby (Indiana State Museum and Historic Sites) Observations by a Textile Conservator of the clothing remains from the Wright-Whitesell-Gentry Family Cemetery
- 2:30 Nawrocki (University of Indianapolis) Employing Mitochondrial DNA for the Assessment of Biological Relationships between Undocumented Individuals from the Wright-Whitesell-Gentry Cemetery
- 2:45 Koehl, Anthony (University of Indianapolis), Krista Latham (University of Indianapolis) and Stephen Nawrocki (University of Indianapolis) Employing Mitochondrial DNA for the Assessment of Biological Relationships between Undocumented Individuals from the Wright-Whitesell-Gentry Cemetery
- 3:00 Break
- 3:15 Koehl, Anthony (University of Indianapolis), Stephen Nawrocki (University of Indianapolis) and Krista Latham (University of Indianapolis) The Validation of Presumptive Identities at the Wright-Whitesell-Gentry Cemetery through the Development of Biological Profiles
- 3:30 Eisenberg, Leslie (Wisconsin Historical Society) Discussant

1:30-4:30 PM Poster Session: *Late Prehistoric and Fur Trade Studies* **Room: Gilpatrick**

- 1) O'Gorman, Jodie (Michigan State University), Jennifer Bengtson (Michigan State University), Heather Ash (Michigan State University) and Janet Finlayson (Michigan State University) Toward

- an Understanding of Living with Social Stress in the Oneota and Mississippian World: New Excavations at the Morton Village Site
- 2) Shockey, Paul J. (ASU) Change Over Time: Measuring Trends in Ceramic Attributes at the Mound House Site (11GE7), Greene County, Illinois
 - 3) Tempesta, Jeremy (University of Wisconsin-Parkside) and Robert F. Sasso (University of Wisconsin-Parkside) GIS Analysis of Artifact Distributions at the Vieau Fur Trade Post
 - 4) Guldan, Karly (University of Wisconsin-Parkside) and Robert F. Sasso (University of Wisconsin-Parkside) Archaeological Investigations at the Meyer Wooded Parcel of the Vieau Fur Trade Post Site of Franksville, Racine County, Wisconsin
 - 5) Doershuk, John (University of Iowa) and Kayla Resnick (University of Iowa) Oneota Technological Adaptations to European Fur Trade Goods in Northwest Iowa

3:15-4:15 PM General Session: *Late Woodland Period Studies* Moderator: Steve Kuehn

Room: Lakeshore B

- 3:15 Kuehn, Steve (ITARP) Revisiting Faunal Exploitation at Fish Lake: An Examination of Recently Obtained Patrick Phase Faunal Material From the American Bottom
- 3:30 Zelin, Alexey (ITARP) Late Woodland Zoomorphic Figurines from the Fish Lake Site
